About Us

We Are with You Charitable Trust is a non-governmental organization established in 2019. Our core belief is that education is the key to addressing many societal issues. Hence, we have concentrated our efforts primarily on education-related initiatives.

Our key activities encompass addressing the emotional, academic, and financial needs of orphaned, semi-orphaned, and underprivileged students. We offer ongoing educational programs focused on career guidance, adolescent health, empathy, self-awareness, scholarships, and various essential life skills. Additionally, we conduct online sessions to assist undergraduate students in excelling in their careers and provide information on available scholarships to those in need.

We are also committed to the sustainability of shelter homes, including orphanages and old age homes, through our initiative "Celebrations by WAYCT." This program supports these institutions in securing funds and helps orphaned students access quality education.

Furthermore, our work extends to livelihood support, organizing blood donation camps, environmental protection activities, aiding slums and orphanages in establishing mini libraries, and providing scholarship support to deserving students.

Through these diverse initiatives, we strive to make a meaningful and lasting impact on society.

Vision

Our vision is for a world where the opportunities to improve the quality of life are equal and freely available to the currently underserved population, including orphans, semi-orphans, the differently-abled, people living in slum areas, and those that experience homelessness.

Mission

We catalyze personal and social change by enrolling and educating the community; equipping community organizers, student and youth leaders with resources for connection and service; and create opportunities for improved access to health, education and financial security for the marginalized people in our society.

Connecting Three Dots

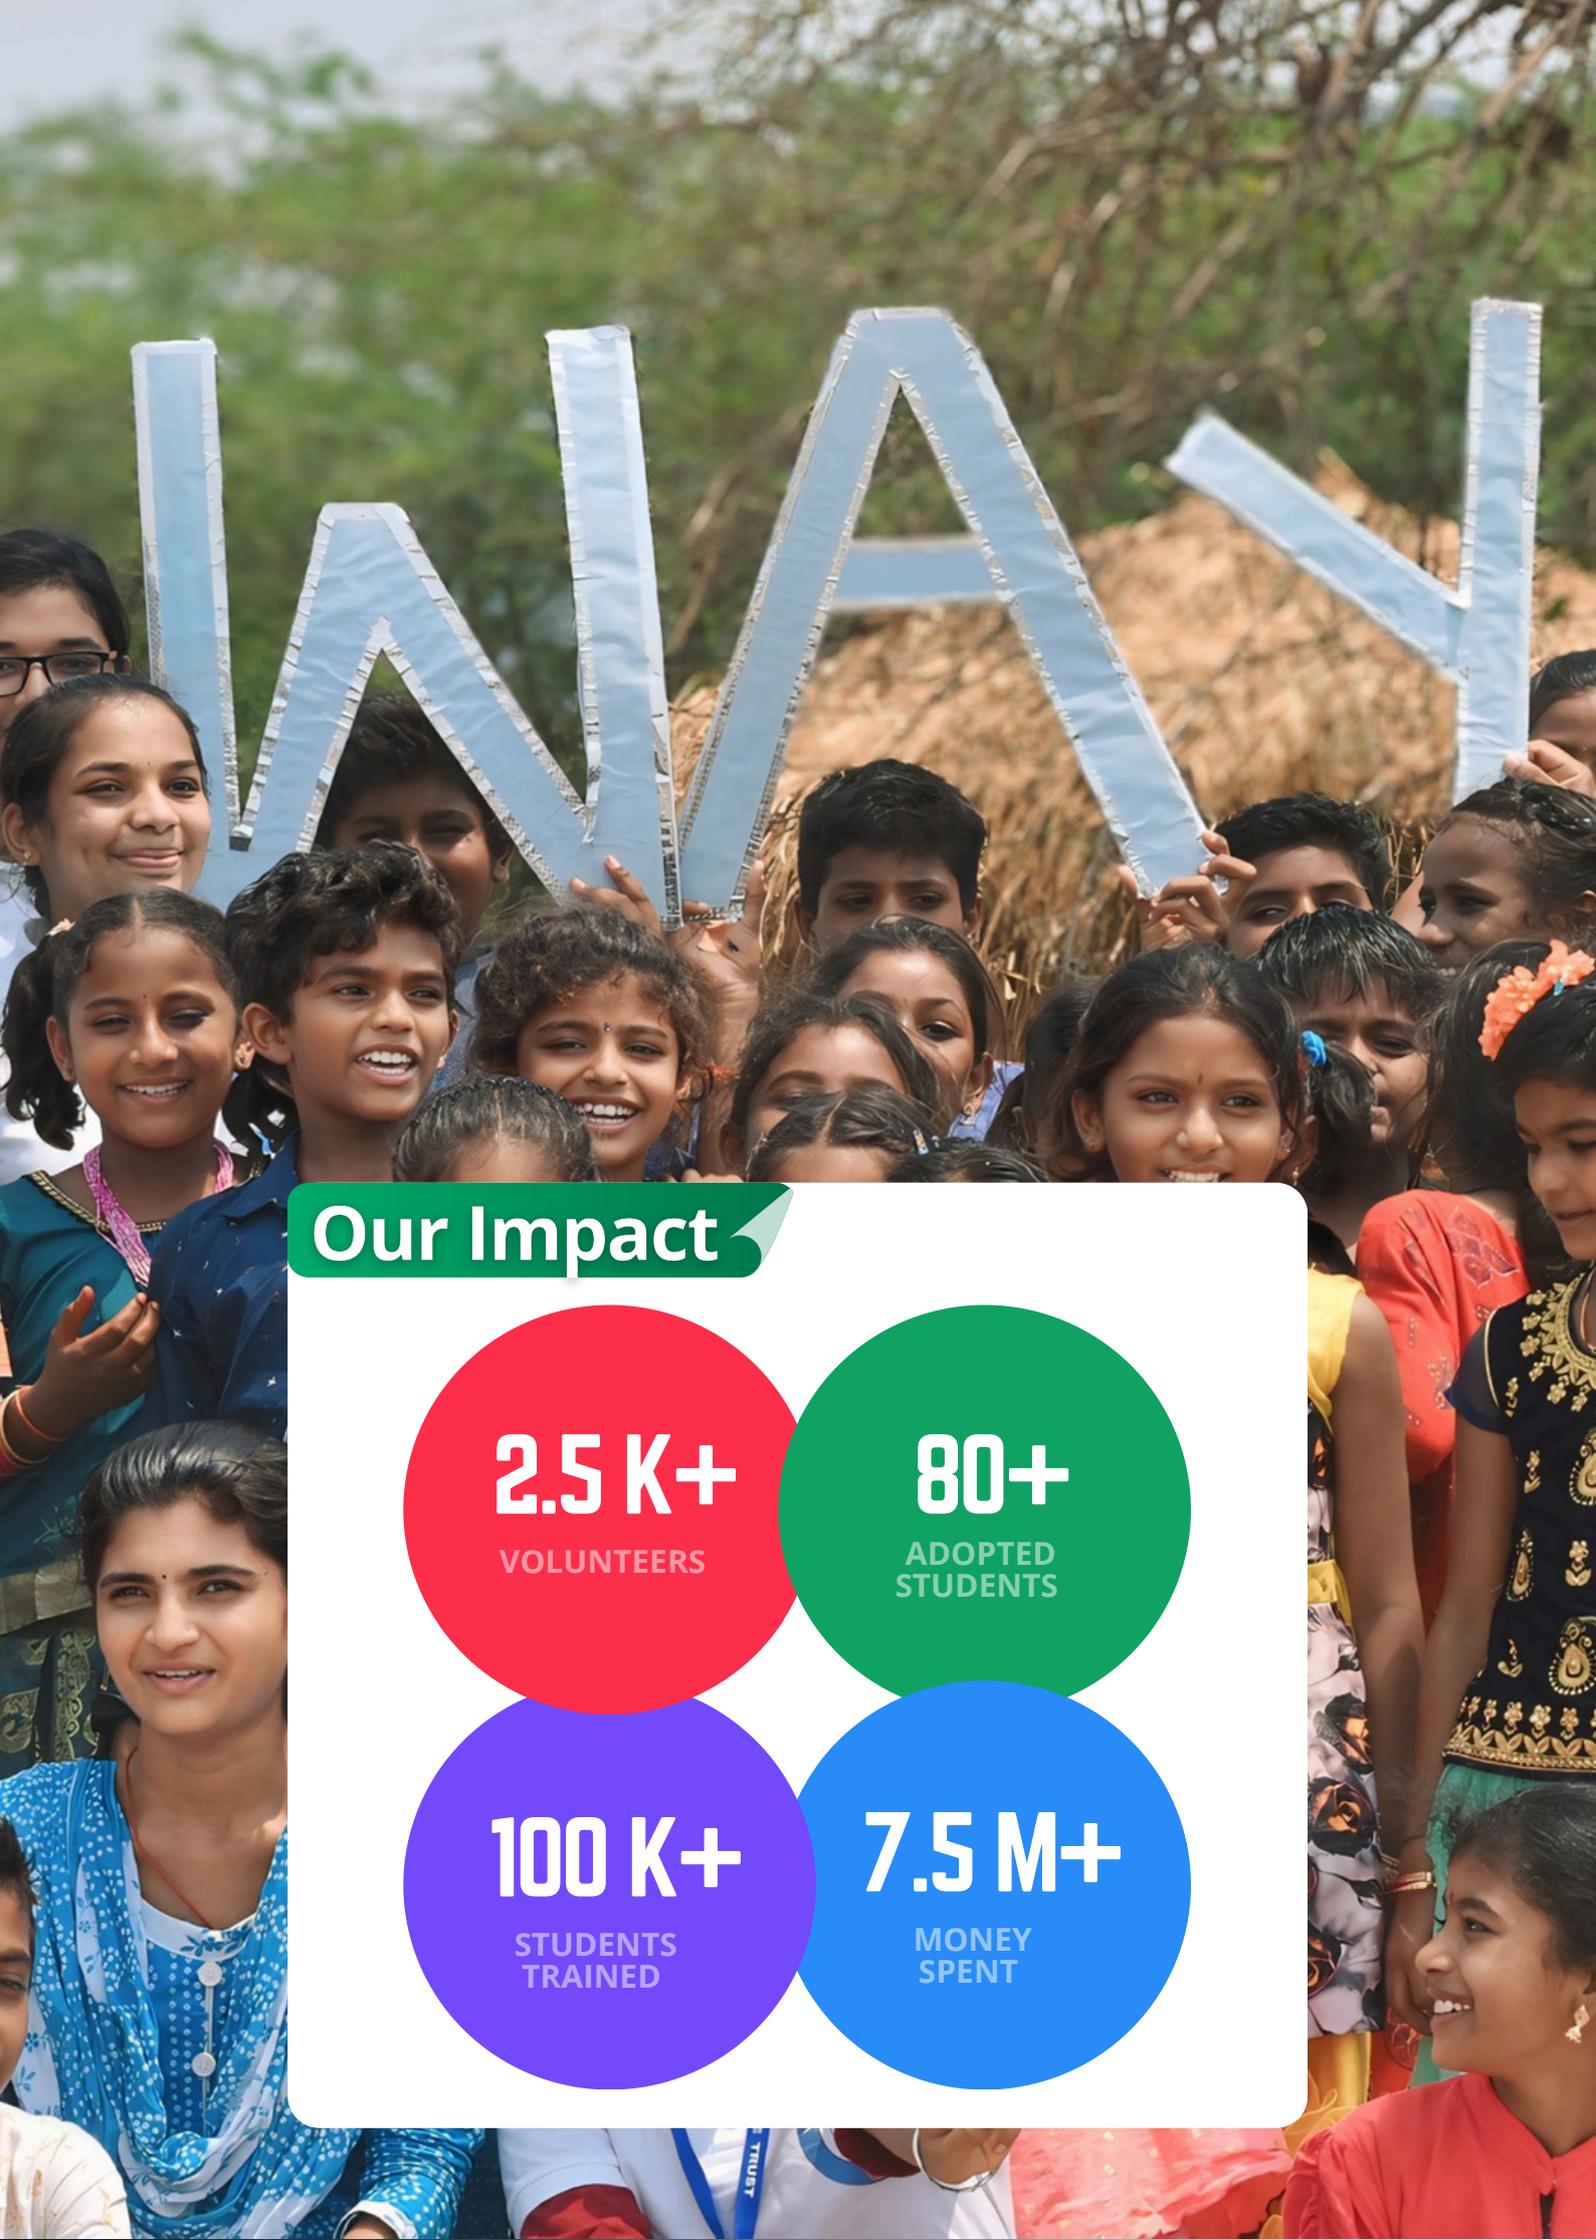

Our approach revolves around a concept we call "Connecting the Three Dots."

The first dot represents students. Many undergraduates often spend significant time on mobile apps, and we see an opportunity to channel this time more productively. Our goal is to engage these students and recruit them as volunteers for We Are with You Charitable Trust.

The second dot is We Are with You Charitable Trust itself. We provide training to these student volunteers, equipping them with the skills to become community leaders focused on addressing societal issues, with a particular emphasis on educational needs. We ask students to dedicate some of their otherwise idle time to contribute towards solving these problems.

The final dot is society. By leveraging the efforts of our trained student volunteers, we work to address and resolve various societal issues. In doing so, we aim to connect these three dots—students, our organization, and society—to make a meaningful impact.

JOIN US IN IMPACTING INDIA

We Are With You Charitable Trust has expanded its reach, now actively operating in three states: Andhra Pradesh, Telangana, and Tamil Nadu. This growth signifies a significant step forward in our mission to impact more lives and communities across these regions.

At the core of We Are With You Charitable Trust's mission is the empowerment of communities through education. We believe that by investing in students, we are laying the foundation for a brighter future. Our focus on empowering students is driving our efforts across all the regions we serve, with the goal of nurturing the next generation of leaders and changemakers.

About Founder

Ayyappa Siginam, the founder and chairman of We Are with You Charitable Trust, has an inspiring story of resilience and dedication. After losing his father during his childhood, Ayyappa faced significant challenges but managed to overcome numerous obstacles to complete his intermediate education.

Demonstrating exceptional determination, he achieved an impressive rank of 8000 in the EAMCET exam, securing a free seat for engineering studies and winning several scholarships. By the end of his first year in engineering, he had become financially independent.

In 2018, driven by a desire to give back to society, Ayyappa began service activities. These efforts culminated in the registration of his organization as an NGO in 2019. Notably, this NGO is entirely run by students, showcasing the power of youth in driving social change.

Under his leadership, the organization has provided support to over 3,00,000 needy individuals through various projects. Engaging more than 2,500 volunteers across Andhra Pradesh, Tamil Nadu, and Telangana, the NGO has made a significant impact on the lives of many.

Additionally, the NGO has adopted over 80 students to support their education. This initiative ensures that these students have the necessary resources and opportunities to pursue their academic goals.

Ayyappa's dedication and impact in the social sector were recognized when he was honored as the Best Young Changemaker of 2023 by Plan India. This achievement reflects his significant contributions and unwavering commitment to making a difference in society.

In addition to his work with the NGO, Ayyappa Siginam has launched several start-ups with no initial investment, aiming to inspire others. He is now the Chairman and Founder of the Atoms Group of Companies. This diverse group of companies operates in various sectors, including education, digital marketing, web and app development, as well as the street food industry with ice cream and faloodas, among other areas. Within just 16 months, these ventures have collectively generated revenue exceeding 90 lakhs, achieved with zero upfront investment.

Balancing the demands of both his business ventures and his NGO work, Ayyappa Siginam continues to serve as a source of inspiration for many.

Our Projects

Our projects are designed to make a meaningful impact across various sectors. We provide comprehensive support to orphaned, semi-orphaned, and underprivileged students, addressing their emotional, academic, and financial needs. Our educational programs focus on career guidance, adolescent health, empathy, self-awareness, and essential life skills, while our online sessions help undergraduate students advance in their careers. Additionally, we share information about scholarships to ensure that students in need can access financial aid.

Through our initiative "Celebrations by WAYCT," we support the sustainability of shelter homes, including orphanages and old age homes, by raising funds and facilitating quality education for orphaned students. Beyond these core activities, we are also involved in providing livelihood support, organizing blood donation camps, and participating in environmental protection efforts. We help establish mini libraries in slums and orphanages and offer scholarships to deserving students. Each of these projects is aimed at addressing critical societal issues and creating a positive, lasting impact on our community.

Bhavishya

Project Bhavishya, initiated by the We Are with You Charitable Trust, focuses on empowering students with the skills needed to become responsible citizens. We primarily emphasize sessions on goal setting and career guidance, along with essential life skills such as self-awareness, empathy, and interpersonal relationships. These components help students realize their potential and build a brighter future.

We specifically reach out to a limited number of government schools, collaborating with them to conduct this program throughout the year for the same group of students, nurturing them into responsible citizens.

Additionally, we distribute a special book named Bhavishya to underprivileged students who lack the resources to explore different career opportunities. This book outlines various paths available for achieving their dream careers and provides information about financial resources, such as scholarships, that can assist them in their journey.

✓ **STUDENT EMPOWERMENT TRAINING**

Our Life Skills Training program is designed to equip students with essential skills that foster personal growth and social responsibility. We focus on developing self-awareness, empathy, and the ability to build and maintain healthy interpersonal relationships. These skills are crucial for helping students navigate the complexities of daily life and succeed in both personal and academic environments.

The program is offered in both offline and online formats, making it accessible to a wider audience. By empowering students with these competencies, we aim to build their confidence, emotional intelligence, and problem-solving abilities, preparing them for future challenges and helping them lead more fulfilling lives.

✓ **CAREER GUIDANCE**

We provide career guidance to students in government schools to help them understand the next steps in their educational journey.

✓ **ONLINE SESSIONS**

We regularly conduct online sessions for youth on resume building and career opportunities. These sessions equip them with the skills needed to advance in their professional journeys.

Vaaradhi

Project Vaaradhi supports children with extraordinary dreams who face financial and familial challenges. This initiative offers financial, emotional, and educational assistance to poor, orphaned, and semi-orphaned children, acting as a "bridge" between their current situations and future aspirations. Each student receives a long-term sponsor, tuition support, basic supplies, and a personal volunteer caretaker for emotional guidance. We are immensely proud to share that the undergraduate students benefiting from this project take responsibility for on-field implementation of activities and actively support younger students. Currently, seventy-five students from various grades are involved, fostering a strong sense of community and leadership.

We Are with You

✓ EMOTIONAL & FINANCIAL SUPPORT

We offer comprehensive support by covering school fees and providing necessary stationery. Additionally, we provide health and emotional support, caring for them as if they were family.

✓ PERSONAL CARETAKER TO EACH STUDENT

Under Project Vaaradhi, we are providing each student with a personal caretaker to support them in every step toward achieving their educational and personal goals.

✓ STUDENT AND PARENT WORKSHOPS

We conduct workshops for students and parents to empower them with knowledge and skills. Students will be trained on personality and basic technical skills, whereas parents will be trained on good parenting.

✓ CELEBRATIONS WITH VAARADHI STUDENTS

We encourage volunteers to celebrate their special days with Vaaradhi students to foster happiness and address their needs.

✓ TUTORING SESSIONS TO STUDENTS

We regularly conduct tutoring sessions by assigning a tutor to help students with their study-related doubts and support them in developing their subject knowledge and skills.

1

Notification

We release a notification on social media and to schools to gather applications from students

2

Initial Interview

We begin by conducting an interview with the student and their family to understand their needs and circumstances.

Child Assessment

An assessment is carried out to evaluate the child's educational and personal requirements.

3

Home Visit

We visit the child's home to assess their financial status and living conditions, ensuring that the support is truly needed.

4

School Review

We consult with the child's teachers to gather feedback on their academic performance and overall well-being.

5

Final Scrutiny

After completing these steps, we evaluate all the information gathered. If the child meets the criteria, they are welcomed into the Vaaradhi family.

6

Assignment of Caretaker & Donor

Once a child is accepted into the program, a dedicated caretaker and donor are assigned to support them.

7

Ongoing Support

We take full responsibility for the child's education, health, and overall development, ensuring they have a brighter future.

Abhaya

At Project Abhaya, we believe the greatest joy on special occasions—like birthdays and anniversaries—comes from giving back. Instead of traditional celebrations, we offer a unique opportunity to spread happiness by spending time with children in orphanages and elders in old-age homes. On your special day, you can participate in food distributions and meaningful interactions with those in need with our initiative “Celebrations by WAYCT”. Our focus is on supporting education and skill development for children in orphanages while also assisting old-age homes and orphanages. Transform your celebration into an act of kindness and experience the true blessing of making a difference.

Abhaya

Get True Happiness on Your Special Day

✓ SPECIAL DAY CELEBRATIONS

We encourage individuals to celebrate their birthdays, anniversaries, and other special occasions with orphanages and old-age homes. This initiative aims to bring joy to these communities and address their needs.

✓ TUTORING AT ORPHANGES

We provide tutoring at orphanages by assigning dedicated tutors to address students' academic doubts and support them in their subjects and skills. This initiative ensures personalized assistance to help them excel in their studies.

✓ MEDICAL ASSISTANCE

We provide seasonal medical assistance to children in orphanages and residents of old-age homes with the support of local hospitals. This ensures they receive necessary health care and support.

✓ EMOTIONAL SUPPORT

We offer emotional support to students in orphanages and residents in old-age homes to foster a family-like environment and build meaningful relationships by regular visits. Our aim is to create a nurturing and supportive atmosphere for all.

✓ SUPPORT TO ORPHANAGES & OLD-AGE HOMES

We provide support to orphanages and old-age homes to enhance their well-being through collaborative events. These initiatives aim to foster a sense of community and improve the quality of life for their residents.

Swechha

Project Swechha addresses the critical need for adolescent health education during the formative years of thirteen to twenty-one. This phase is pivotal, yet many young people face confusion and misinformation about physical and mental changes. Our project aims to fill this gap by providing accurate information and support. We organize workshops and awareness programs on topics such as menstrual hygiene, myths about menstruation, child sexual exploitation, child marriages, gender equality, and navigating adolescent changes.

The Adolescent Health Education Training Program includes a comprehensive five-day workshop series available online and offline. Through Project Swechha, we strive to break the silence and debunk myths surrounding adolescent health, empowering youth with knowledge and confidence.

Swechha

Break the silence

✓ ADOLESCENT HEALTH EDUCATION TRAINING

Adolescent health focuses on physical, emotional, and social well-being during teenage years, promoting healthy lifestyles and informed choices.

✓ WORKSHOPS

Our workshops are dedicated to adolescent health education, covering essential topics such as menstrual hygiene, child sexual exploitation, and gender equality. We aim to provide accurate information and guidance on these subjects, helping young people make informed decisions about their health and well-being.

We also address the physical and mental changes that occur between the ages of thirteen to twenty-one, equipping participants with the knowledge and tools to navigate this critical stage of life. Our goal is to educate and empower adolescents, ensuring they are better prepared to handle challenges and embrace their development with confidence.

✓ SANITARY PADS DISTRIBUTION

We visit slums, villages, schools, and colleges to organize awareness sessions and distribute menstrual pads. Additionally, we provide training to several NGOs under this project. Our efforts aim to enhance understanding and support for menstrual hygiene across various communities.

LIVELIHOOD

The "Livelihood" is a initiative started by the "We Are With You" Charitable Trust, with the primary aim of addressing the challenges faced by the poor. The initiative seeks to empower individuals by helping them become self-reliant, enabling them to successfully support their families. As part of this initiative, the trust recently purchased a sewing machine for the mother of one of the Vaaradhi children. This support will allow her to earn a living and achieve financial independence.

Additionally, the trust has assisted a struggling driver by providing him with a second-hand car, thanks to the generosity of a donor. This will enable him to continue working and support his family effectively.

Paryavaran

Project Paryavaran aims to raise global awareness about environmental protection and sustainability. Through engaging competitions and initiatives like the Greenery Challenge, participants plant trees and inspire their friends to join the movement. The project also hosts tree plantation events, cleanliness drives in slum areas, and beach cleanups, fostering community involvement in environmental stewardship. Our efforts focus on educating citizens about pollution, climate change, and sustainable development to create a cleaner, healthier planet for future generations.

FUELING THE MISSION OF SELFLESS SERVICE

The "We Are With You Charitable Trust" is dedicated to supporting institutions and shelter homes that serve people without any profit motive. Our efforts are focused on enhancing the quality of life for those in need by providing essential resources and services. We collaborate closely with various organizations to ensure that their operations run smoothly and effectively, allowing them to continue their noble work.

One of our key initiatives involved supporting MVS. Koteswararao Memorial School in Sundaraiah Colony, Guntur. Recognizing the school's need for additional resources, we donated study chairs to improve the learning environment for the students, ensuring they have a comfortable and conducive space for their studies.

We also extended our support to Sharon Orphanage in Mangalagiri. Understanding the importance of education and basic necessities, we provided tuition services for the children residing in the orphanage. Moreover, we donated an auto-rickshaw to aid in transportation, along with rice and groceries to ensure the children have access to nutritious meals.

In Nallapadu, we supported the Kshemam Kari Old-age Home by providing essential items such as rice, groceries, and beds. These contributions were made to improve the living conditions of the elderly residents, ensuring they have a comfortable and dignified environment in their later years.

Our trust also contributed significantly to Santhi Nikethan School in Martur by constructing bathrooms worth over 3 lakh rupees. This initiative aimed to enhance the sanitation facilities for the students, promoting better hygiene and health within the school. In addition to this, we actively promoted the school to orphan and semi-orphan children, encouraging them to pursue their education in a supportive and well-equipped environment.

Through these initiatives, "We Are With You Charitable Trust" continues to uphold its commitment to supporting institutions and shelter homes that dedicate themselves to serving those in need.

Priority SDGs

Volunteer Testimonial

Volunteers commend We Are with You Charitable Trust for its impactful projects and fulfilling community service opportunities.

Joining We Are with You Charitable Trust initially as a volunteer, I quickly found a second family and experienced profound growth. Over three years, I've developed empathy, resilience, and communication skills. My journey from volunteer to HR has transformed both my life and career.

Sushma Chowdary

Over four transformative years with 'We Are With You Charitable Trust,' I've developed my skills through impactful volunteer work. My dedication led to being honored as "WAY VANITHA - 2023." This recognition has been a deeply rewarding experience.

Mounika Kota

Since April 2022, my role with "We Are with You Charitable Trust" has transformed me from an introvert to an ambivert, highlighted by leading the Guntur branch and earning the "WAY SAARADHI - 2023" award. Now serving as an HR member, I'm deeply grateful for the support and second family I've found within the Trust.

T. Yaswanth

Over the past four years at 'We Are with You Charitable Trust,' my journey from volunteer to Anantapur branch president has been transformative, enhancing both personal and professional growth. The NGO has guided my development and deepened my commitment to giving back while positively impacting many lives.

Chiradeep

Starting as Vice President of the Nellore branch, I developed my communication skills and overcame stage fear through impactful events. As Co-Lead of Digital Marketing, being named "Best Core Member - 2023" was an honor, and I'm grateful to WAY, Ayyappa Anna, and all the supporters for my growth.

Harsha Aravind

My long journey with We Are with You Charitable Trust transformed me from an introvert into a recognized WAY PILLAR - 2023 through roles such as poster designer, Bhavishya lead, and branch Vice President. I'm grateful for the opportunity to showcase my talents and contribute meaningfully, and the journey continues.

Gunakala Pavan

In 2021, I took on various roles within the trust, developing skills in communication, leadership, and self-awareness. Now, as Co-Lead of the Digital Marketing project at Atoms Group, I continue to apply and enhance these skills in a dynamic environment.

Moulali

Joining We Are with You Charitable Trust in November 2021 as a volunteer, I advanced to President of the Kadapa Branch and later Chief Executive, significantly impacting my personal and professional growth. I'm grateful for the opportunity to contribute and evolve with this remarkable organization.

Bhanu Prakash

At We Are with You Charitable Trust, my journey from Poster Designer to Lead, and then Vice President of the Guntur Branch, has significantly boosted my creativity and career path. Being named Vice President of the Year 2023 has marked a rewarding and transformative experience.

Durgesh

Beneficiary Testimonials

After losing both parents at a young age and growing up in an orphanage, I faced significant challenges in pursuing higher education. Despite these obstacles, I achieved a top rank in my engineering entrance exam and secured a place in B.Tech in Electronics and Communication Engineering. With the support of the NGO for food, accommodation, and college fees, I am now thriving in my third year with over an 8.3. CGPA. The opportunity to volunteer and lead a project has not only enhanced my skills but also reinforced my commitment to my studies. I am deeply grateful for the support that has enabled me to excel academically and develop my leadership abilities.

Dinesh

Facing the loss of my father in 2020 and our family's financial struggles, I was uncertain about continuing my MBBS at Kurnool Medical College. However, the support I received was invaluable. With assistance for tuition, food, and accommodation, and continuous encouragement, I regained my confidence and am now succeeding as a House Surgeon. This support not only helped me overcome my Initial doubts but also fueled my determination to pursue further studies and make a difference in others' lives. I am deeply grateful for the help that enabled me to persevere and am committed to giving back in the future.

Shaik Karishma

Growing up with my father absent and my mother struggling financially, accessing the right resources was challenging despite my academic potential. With a strong performance in Class 10 and 12, I achieved impressive scores in JEE Main and APEAPCET, earning a spot at VIT Amaravathi. The financial support for admission, medical care, books, and clothing from the NGO, along with the guidance and emotional support provided, has been invaluable. Their regular interactions and encouragement have kept me motivated and focused. I am grateful for the opportunity to pursue my B.Tech and am committed to making the most of it.

Abhinav

We Are With You Charitable Trust supported me in achieving my goal of becoming the youngest entrepreneur with a B-Tech degree. Their guidance was instrumental in my journey. They also assisted me in managing a small ice cream stall in the evenings. This experience not only built my skills but also provided essential financial support. I am truly grateful for their help in shaping my future.
